### Family Empathy Interviews

*Directions: Pair with a teen from another family and alternate asking and answering questions with them, until the interviews have been completed. Write down answers as you go, and prepare to share the responses with the group when the interviews are done.*

#### Parents Ask Teens (paired with teen from another family):

1. What would you think, feel, and do, if your parents didn't come home one night (and didn't answer their cell phones)?
2. What is your greatest fear related to one or both of your parents?
3. What is your top wish for one or both of your parents?
4. What is something you regret saying or doing within your family?
5. If you could have a do-over, of # 4, what would you say or do instead?
